Customize your platter or let the chef curate it for you.

Consuming raw or undercooked seafood or shellfish may increase your risk of food borne illness, especially if you have certain medical conditions

Before placing an order, please inform the Chef if a person in your party has a food allergy

At Hissho Sushi, freshly prepared sushi on-site is the only way we roll. Everyday our talented chefs prepare delicious sushi that will keep you happy and healthy. We use only the highest quality products, and our chefs buy fruits and vegetables locally to ensure absolute freshness. We do not use artificial coloring in our line of retail products and we offer healthy alternatives, such as multi-grain and brown rice. Try it for yourself and taste the freshness.
